We do have 2 flower products, as flower inside the cube sphere. One in some softer plastic cube, other in acrylic box. Material of the box is the difference between 2 products.

The size of cube is 9cm. We do have for you classic designs: rose, water lily and orchid each in million colour. Modern design package is shaped from solid plastic. Clean and classic look.

The size of cube is 8,5cm. The acrylic box is molded from acrylic. The thick transparent layer of acrylic gives high end and modern touch to the flower. The quality box can be later as decorative box reused.

Chocolate flowers blossom is sure made of chocolate. White chocolate. Edible flowers are seasoned with natural strawberry and pineapple pastes.

Colorants are also natural.
